FIRST WEBINAR

Sept. 10, 2024

5-6pm (CET)

Frankfurt School

Centre for European Transformation

INTRO:

MEET OUR EXPERTS

Speaker

Alberto Rossi

Georgetown

Alberto Rossi is the Hachigian Family Professor of Finance at the McDonough School of Business, Georgetown University. He is also the Director of the AI, Analytics, and Future of Work Initiative at Georgetown, a Visiting Fellow at Brookings, and a member of the Economic Advisory Committee (EAC) at FINRA.

His research interests include **FinTech, Household Finance, Machine Learning, and Asset Pricing**. His recent work studies how robo-advisors can help individuals make better financial decisions and how to predict stock market returns using machine learning algorithms.

Discussant

Rohit Singh

martini.ai

Rohit Singh is a leading expert in the field of Computer Science and Machine Learning. He is the co-founder and CTO of martini.ai and Assistant Professor at Duke University. Rohit has an impressive academic background with a **PhD from MIT**, a **Master of Science from Stanford**, and a **Bachelor from IIT Kanpur**, all in Computer Science.

Rohit has been awarded the prestigious **George M. Sprowls Award** for Best Computer Science PhD Thesis at MIT and the Stanford **Christopher Stephenson Memorial Award** for Masters Research in Computer Science, among others.
